Note: This report is based on Census 2010 P.L. 94-171 Redistricting Data (Maryland) and is ADJUSTED for the use of Maryland Redistricting pursuant to the "No Representation Without Population Act" (SB 400/HB 496) signed into Maryland law in 2010. Maryland census data must be ADJUSTED for the purposes of creating congressional, state legislative, and local districting plans. Generally, the law requires that the census data must be adjusted to reassign Maryland residents in State & Federal correctional institutions to their last known address, and to exclude out-of-state residents in correctional institutions from redistricting.
